UPDATING PARISH RECORDS

In an attempt to keep our records up to date, would you please share email and current phone numbers with us? Please update your information return in the offertory basket or send an email with updated info.

We currently have **156 families** registered however all do not attend our parish. Many families have moved, are attending Mass regularly else where or are no longer practicing. We are attempting to determine who identifies themselves as members of our parish and those who are members at other parishes. Our monthly assessment to the Diocese, cost of the Southern Nebraska Register and monthly assessment to Lourdes is determined by those who considers themselves members at St. Benedict's.

Thanks in advance for your help! Dotti
